To Whom It May Concern:  
Re: James Bridgeforth

James Bridgeforth is currently a client in the Halfway House Program at Right Turn of Maryland. Mr. Bridgeforth entered 28 Day treatment at Right Turn on March 11, 2011. He successfully completed the 28 Day program and entered into our Halfway House Program immediately following his discharge from the 28 Day Treatment Program. Mr. Bridgeforth also enrolled in our Aftercare Program and has fulfilled the requirements of his Aftercare commitment. Furthermore, Mr. Bridgeforth continues to faithfully attend four to six documented off campus 12 Step meetings weekly as well as four mandatory therapy groups on the Right Turn campus. Mr. Bridgeforth has a 12 Step Home Group, a sponsor and is very active within the 12 Step communities outside of the Right Turn campus.

Throughout his experience at Right Turn Mr. Bridgeforth has been cooperative, compliant and has actively participated in all phases of treatment. Mr. Bridgeforth has been an excellent example to his peers as not only a recovering person, but also one who is responsible, reliable, and dependable. Mr. Bridgeforth has also volunteered his time and labor by assisting with maintenance and repairs within our facility without expectations of any monetary compensation.

It is our professional opinion that Mr. Bridgeforth has benefited tremendously from his experiences at Right Turn. We further believe that James would continue to grow and thrive in recovery by being afforded the opportunity to remain in the Transitional Living Program at Right Turn rather than be incarcerated.

Therefore as the Program Director at Right Turn of Maryland I wish to extend a plea on behalf of Mr. Bridgeforth for his continued participation and as a client in our program and an asset to others in recovery through sharing his experience, strength and hope.

Sincerely,

To Whom It May Concern:

I have known James T. Bridgeforth for about 5 years and have financed him with purchase and renovation money on several houses in Baltimore City. Mr Bridgeforth completed the projects in a timely manner and the quality of the renovations was certainly above average. Based on Mr. Bridgeforth's performance on the above loans/properties I consider him pre-qualified for loans on other similar projects.

In all my dealing with Mr. Bridgeforth I have found him to be truthful, straightforward, and reliable .

I am a private lender offering short term purchase and renovation moneys to real estate investors (like Mr. Bridgeforth) who buy, renovate and then resale or hold (as rental properties) commercial and residential properties in the Greater Baltimore Metropolitan region. Mr. Bridgeforth ranks within the top third of all people / entities I have lent money to for real estate collateralized transactions and I would certainly lend to him again as required and as the occasion(s) arise.

Please feel free to call if you need any additional information or have any questions.

Sincerely yours,

Bob Martinez, Trustee

December 20, 2011

Dear Judge Quarles:

My name is Robert Martinez and for the last 15 years I have been involved in providing private financing to many investors who buy and renovate residential properties in Baltimore City and surrounding counties. It is through this activity that I met Mr. Bridgeforth. Earlier this year I wrote a loan pre-qualification letter for Mr. Bridgeforth. That letter is attached and further explains our past business relationship.

Since Mr. Bridgeforth was released earlier this year in March while awaiting trial I've been involved in 3 projects with him - 2 of which are ongoing on the 2000 block of Druid Hill Ave in Baltimore City. On the project which is almost complete we are essentially equal partners. Mr. Bridgeforth managed the renovations completely (did much of the work himself), did the accounting for all money spent, and now has rented the property out. With the rents he receives he is paying off the renovation construction loan such that the property will be 100% his in less than 3 years. On the second property he is my partner in the property management aspect - renting the units and operating and maintaining the property and is earning a 50% share of the net income. As these 2 projects have progressed I have been working with and interacting with Mr. Bridgeforth on a daily basis and as such have gotten to know him much better. He is not only knowledgeable and hard working but very focused with a positive "get the job done" attitude. He doesn't complain about much and deals with both the good and bad with a balanced low keyed approach. He relates well with both part time workers and tenants and potential tenants. I trust his judgment and value his opinions as to what has to be done as well as trust him to manage and account for the money needed for operations. Once these two buildings are fully occupied (expected within 2 months) I look forward to doing other similar projects with Mr. Bridgeforth while he remains the day to day manager of the 2 completed properties.

In summary Mr. Bridgeforth is a trusted partner/business associate and an asset to not only me but to himself and his wife, children, and family and through his past and current work in renovating distressed city properties he is, in my opinion, an asset to the City of Baltimore as well.

Please call me directly if you have any questions about any of the above or would like additional information.

Very truly yours,

Robert Martinez

To Whom It May Concern:

I have known James Bridgeforth for almost three years now. I have spent time with James helping him market and sell his many renovation projects throughout Baltimore City. James has been extremely successful with his real estate investment business, renovating and reselling properties in distressed neighborhoods in Baltimore.

I have known James to be an honest, dependable hard worker. James builds a quality home and consistently strives to produce a quality product. He takes pride in his work and spends many long hours crafting the perfect home. In working with James to ratify contracts for his properties, I have known him to be honest, reliable, and diligent in meeting his contractual obligations. I run the largest real estate team in Baltimore City. We work with hundreds of clients throughout the Greater Baltimore Metro area. James is one of easiest clients that I work with because he always follows through with all of his obligations. If you have any questions about my interactions with James Bridgeforth, I would be happy to discuss them in detail.

Yours Truly,

At this time, there are no UNICOR Scholarships that are being given. There is a memo out I believe but I will double check.

Good Morning Stacey,

The supervisor of Education has forwarded an inmate scholarship application to me. I have reviewed it. It meets all of the requirements of PS 8120.02. What is the next step? Thanks.

## Second Chance Pell Grant Pilot

- On July 31, 2015, the Department of Education and Department of Justice announced the Second Chance Pell Pilot program to provide educational opportunities to certain inmates.
- Many of the details related to the pilot program are still being worked out; more information will be forthcoming.
- The pilot will require colleges to partner with Federal or State correctional facilities to offer courses to incarcerated students; the specific facilities will NOT be identified until after the Department of Education reviews and accepts proposals from the colleges.
- Colleges and universities are being asked to submit proposals by September 30, 2015, for providing courses to inmates for the 2016-2017 academic year.
- Pell Grants can only be used to pay for tuition, fees, books and supplies required by an individual's education program.

RESPONSE - INMATE REQUEST TO STAFF

This is in response to your Inmate Request to Staff regarding the Second Chance Pell Pilot. The following is the information that I currently have regarding the program.

"On July 31, 2015 the Department of Education (DOE) announced a new pilot program for incarcerated individuals, the Second Chance Pell Pilot. A Federal Register notice was released on August 3, 2015 inviting postsecondary educational institutions to apply for participation in the new pilot. The Second Chance Pell Pilot will allow participating colleges, in partnership with Federal or State correctional institutions, to provide Federal Pell Grant funding to individuals who are currently incarcerated but would otherwise be eligible for the financial aid program. Priority will be given to those who are likely to be released within five years. Under the Second Chance Pell Pilot, funds are intended to supplement existing investments in postsecondary, prison-based higher education programs and can only be used to pay for tuition, required fees, books and supplies."

The program is not yet running, as schools are currently applying to participate in the program. Information will be disseminated to the inmate population as soon as I am made aware.

I trust this addresses your concern.

INEFFECTIVE COUNSEL  
MR. STEVEN LEVIN

DEAR HONORABLE WILLIAM D. QUANLES JR.

I James Bridgforth III  
Criminal Number WDQ-11-0102 would  
like to thank you for granting my  
hearing to dismiss my Attorney  
MR. STEVEN LEVIN do to INEFFECTIVE  
ASSISTANCE OF COUNSEL. When I went  
to court on Monday November 14, 2011  
in court room 7C in front of  
Magistrate Judge Beth A. GESNER I  
had more issue about my Attorney  
that I would have like to read in court  
so it may be put on record and also  
put into my folder so the next Attorney  
may see what I've been threw and  
may have a better understanding of  
my case and that I'm not the same  
person that was arrested 11 months  
ago, and would just like to keep things  
simple not to waste the courts time  
or money but with all respect to you  
just state the facts of my achievements  
since my arrest in December 2010  
and review my case file to make  
sure I received a Beneficial plea Negotiation  
so I may move on to pay my debt to  
society then move on to better my life  
from my mistakes. THANK you for reviewing  
the other issue that I had with MR. LEVIN.

DEAR Magistrate Judge Beth P. GESNER

I James T. Bridgeforth<sup>III</sup> CASE #WDQ-11-0102 would like to personally thank you Beth P. GESNER, prosecutor Joshua KAUL, United State Pretrial Services John STagg, AND Right Turn OF Maryland Treatment Center that I'm grateful to have the opportunity to treat AND self diagnose this disease of Chemical Dependency AT Right Turn OF Maryland Long Term Residential Treatment Program. I have never been in A long term treatment program before, but I have realized this is A blessing from my higher power who know's what's best FOR US ALL. I'm not sure of the date I will be ASKed to leave because my 28 day's OF treatment is coming to AN END. I'm CURRENTLY focusing ON my PERSONAL responsibility FOR treating my disease AND coming up with A more BALANCED Recovery PLAN. THIS will enable me to be more in touch with my higher power AND Allow him to work in my life, this ALSO will give me the opportunity to Change AND strive FOR A more positive disease Free lifestyle. THIS CAN help me eliminate the substance

Im FEARFUL that IF I leave this treatment center I will not get the help AND education that I really need. And now I'm asking of the mercy of the court to please help me extend or continue my treatment for my disease. Im learning alot and learned alot about my addiction AND I will take whatever necessary steps I need in order to conquer this disease, no matter how long it takes.

(please Help)

THANK you very much

James T. Brilger <sup>TJ</sup>

CASE # WDC-11-0102

Abuse problem that has been in my family since the 1960's. I remember around 8 or 9 years old my stepfather would ask me to always hold a belt around his arm while he stuck a needle of drugs in his arm, but I never knew why he would do it but at 13 years old I learned for myself. I have learned my addiction is a chronic progressive disease that can be potentially fatal. This disease has and will destroy my life. This disease has caused irresponsible behaviors that led to negative consequences on my road to recovery. I'm very committed to stay on track with my sobriety here at Right Turn of Maryland Treatment Center. The guilt and shame I put my mother through who went to a better place Jan. 4, 2011 has made me realize that it is necessary for me to live a drug free life today. My life was completely unmanageable, I became powerless over this disease and I used it to escape the reality of my wife's battle with breast cancer and my mom's passing but I'm learning new coping skills and ways to change my old lifestyle and be a "winner" in recovery.
